

## **Hosein Mohebi**

Hosein holds bachelors and masters in Law. He was legal counsel to Arbitration Center of Iran Chambe (ACIC) from 2008 to 2014. In particular, Hosein is an expert in ADR solutions commonly used in complex commercial disputes, namely arbitration, adjudication and mediation.

In addition, he was supervisor of education and research department of ACIC from 2014 to 2016. He had organized and managed many arbitration and dispute resolution seminars and workshops in Iran. He prepared articles, web stories and other materials to promote dispute resolution methods.

He is also a member of arbitration commission of ICC Iran. He translated many legal documents to Farsi, namely ICC Force Measure and Hardship clause 2003, that is published by ICC Iran.

He is a member of young arbitrator of ACIC. Moreover, he has served in several domestic and international arbitration cases, either as counsel or legal assistant.

In July 2016, Hosein Mohebi appointed as Co-Registrar in IUSCT.
